DECLARATION ON HAZARDOUS SUBSTANCES

To the best of our knowledge on manufacturing process used, we would like to confirm that substances specified by:

- EU Directive 2011/65/EC (RoHS) on the restriction of the use of certain dangerous substances and preparations (lead, mercury, cadmium, hexavalent chromium, polybrominated biphenyls PBB or polybrominated diphenyl ethers PBDE)
- Commission delegated Directive 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU as related to the content of Bis(2-ethylhexyl) phthalate (DEHP), Butylbenzyl phthalate (BBP), Dibutyl phthalate (DBP) and Diisobutyl phthalate (DIBP)

are not intentionally added to Padanaplast products indicated below and therefore, we do not expect these substances to be present. However, we have not conducted analyses of these substances to determine if any impurities exist.

The products mentioned hereinabove and sold by our company are:
